What is HEART?

Who we are

- “Housing Endowment and Regional Trust of San Mateo County”
- Nonprofit organization that is a public/private partnership between all 20 cities of San Mateo County, the County, and the business and nonprofit communities
- Mission: to create and preserve affordable housing for low- and moderate-income families by raising and investing money from public and private sources

What is HEART?

What we do

- Finance the development or rehab of affordable or workforce multi-family housing
- Provide assistance to cities, school districts, and faith-based institutions to help them develop affordable or workforce housing
- First Time Homebuyer Program
- Have other programs. Feel free to go to our website to check them out

What is the First Time Homebuyer Program?

- Downpayment Assistance Program
- Created in 2008 → to help moderate/middle income families with roots in the community be able to stay through home ownership
 - So 1 person must either live or work in San Mateo County
- Available anywhere in San Mateo County
- Have maximum limits on income and home prices – but no minimums
- Market rate homes – not Below Market Rate (BMR)

What is the First Time Homebuyer Program?

- 5% downpayment and no Private Mortgage Insurance (PMI)
 - What is Private Mortgage Insurance? → \$\$\$
 - Not fair to make those without savings pay more → makes homebuying even more unaffordable
 - 0 defaults
 - How? → HEART provides a 2nd loan of up to 15% (to get borrower to 20%) with Meriwest providing conventional 80% 1st loan
 - 2nd loan has higher interest rate, but structured to have low payment and not to hold until balloon payment – average refi is less than 3 years

What is the First Time Homebuyer Program?

- Only such program of its kind
 - Verify with professional whether it's the best option for you
- Can use up to extra 5% during bidding → maximum becomes up to \$1,274,175
- Move-closer exception: home must be 50% closer to work and near Priority Development Area (PDA)
- Completely free to apply
- No order, first-come-first-served, or waitlists → just apply and find your home

What is the First Time Homebuyer Program?

- No internal funding limits. We can help everyone that applies
- Not a gov program. Everything streamlined w/ Meriwest → can close in 21-25 days
- Lending Partner is only Meriwest
- Can use any Realtor you want
- Total Accomplishments: 111 families able to stay in San Mateo County as homeowners

What and where can I find a
home for \$1,213,500?
or a condo for \$700,000?

*How can I compete with all these
multiple or cash offers?*

The Purchase Contract:

Major Components are Time and Money

- **Money for Offer Price**
Money for Deposit – 3%
- **Time to close – 25-30 days is standard**
Time for Contingencies –
 - I am going to buy this home if??? Time to decide.
 - Major contingencies are loan, appraisal, condo, and inspections.
(0-17 days are standard)

Disclosure package – consists of Seller Disclosures and Inspection Reports

- **Seller Disclosures** – Includes 5-10 pages specific to the property relating to the condition, neighborhood, death on the property, and more
- **Inspections** – Home and termite are the most common inspections in this area. But you can do: mold, lead, foundation, fireplace, pool and more
 - **Home Inspection:** A review foundation, electrical, plumbing, heating, roof, doors, windows, etc. Costs about \$600.
 - **Termite:** Looks for termites, beetles and dry rot. Not overly important for condos. Costs about \$400.
- **HOA Documents** – Contains financials, rules, minutes, CC&R's of the Association.
- Many sellers are performing inspections before but you have the right to do your own. Due to offer competition you may choose to waive your right.

Closing Costs: Around 1.25% – 3%

- Title Insurance – Insures that all previous liens are paid off
- Escrow Fee – Cost to act as Neutral 3rd party & to manage the paperwork
- Lender Fee - Bob's cost
- Prorated Property Tax - Your share of property tax
- Prepaid Interest – Interest from the time you close to the end of the month
- Home Owners Insurance
- Impound/Escrow Account – Puts money into your Property Tax and Insurance Account.
- Many of these costs are tax deductible. Big Refund coming your way

What to Look For in a Realtor

- Find a Realtor who understands the HEART program and can communicate it well to the seller agent.
- Understands your needs.
- Available to your schedule to show homes not just open houses and responds quickly to your questions.
- Good knowledge, experience, and communication skills to explain the purchase contract and disclosures.
- Good successful reputation amongst local agents and clients. Read reviews on Yelp.
- Do Not use Out of the Area or Part Time Realtors.

***How can I get my offer accepted,
with multiple bids?***

- Realtor presents your offer in person to seller & agent.
- Have Bob call the agent.
- Good negotiator for price and offer acceptance.
- **Good reputation and relationship with other agents for offer acceptance.**
- Quick time to Close
- Offer a fair price. Don't try for a "deal".
- Submit your offer before offer date.

How can I get my offer accepted, continued:

- Write a letter to seller and enclose a photo.
 - Mention what you like about the home, your occupation, your relationship with the area, and any connection to the seller such as hobbies or organizations.
- Sign all Disclosures
- Offer the seller rent back
- Low or no Contingency Time Frames for loan and inspections
- Large good faith deposit with a copy of the check
- Proof of down payment

Good Luck!
