What and where can I find a home for $1,213,500? or a condo for $700,000?

How can I compete with all these multiple or cash offers?
The Purchase Contract:
Major Components are **Time** and **Money**

- **Money for Offer Price**
  - Money for Deposit – 3%

- **Time to close** – 25-30 days is standard
  - Time for Contingencies –
    - I am going to buy this home if?? Time to decide.
    - Major contingencies are loan, appraisal, condo, and inspections.
      (0-17 days are standard)
Disclosure package – consists of Seller Disclosures and Inspection Reports

- **Seller Disclosures** – Includes 5-10 pages specific to the property relating to the condition, neighborhood, death on the property, and more

- **Inspections** – Home and termite are the most common inspections in this area. But you can do: mold, lead, foundation, fireplace, pool and more
  - **Home Inspection**: A review foundation, electrical, plumbing, heating, roof, doors, windows, etc. Costs about $600.
  - **Termite**: Looks for termites, beetles and dry rot. Not overly important for condos. Costs about $400.

- **HOA Documents** – Contains financials, rules, minutes, CC&R’s of the Association.

- Many sellers are performing inspections before but you have the right to do your own. Due to offer competition you may choose to waive your right.
Closing Costs: Around 1.25% – 3%

- Title Insurance – Insures that all previous liens are paid off
- Escrow Fee – Cost to act as Neutral 3rd party & to manage the paperwork
- Lender Fee - Bob’s cost
- Prorated Property Tax - Your share of property tax
- Prepaid Interest – Interest from the time you close to the end of the month
- Home Owners Insurance
- Impound/Escrow Account – Puts money into your Property Tax and Insurance Account.
- Many of these costs are tax deductible. Big Refund coming your way
What to Look For in a Realtor

- Find a Realtor who understands the HEART program and can communicate it well to the seller agent.
- Understands your needs.
- Available to your schedule to show homes not just open houses and responds quickly to your questions.
- Good knowledge, experience, and communication skills to explain the purchase contract and disclosures.
- Good successful reputation amongst local agents and clients. Read reviews on Yelp.
- Do Not use Out of the Area or Part Time Realtors.
How can I get my offer accepted, with multiple bids?

• Realtor presents your offer in person to seller & agent.
• Have Bob call the agent.
• Good negotiator for price and offer acceptance.
• Good reputation and relationship with other agents for offer acceptance.
• Quick time to Close
• Offer a fair price. Don’t try for a “deal”.
• Submit your offer before offer date.
How can I get my offer accepted, continued:

• Write a letter to seller and enclose a photo.
  • Mention what you like about the home, your occupation, your relationship with the area, and any connection to the seller such as hobbies or organizations.

• Sign all Disclosures

• Offer the seller rent back

• Low or no Contingency Time Frames for loan and inspections

• Large good faith deposit with a copy of the check

• Proof of down payment
Good Luck!
